REFRESHED PHILOSOPHY ON PATIENT CARE**

*-A modern cosmetic dental practice utilizes the latest technology in a soothing,  
tranquil environment-*

**La Mesa, CA (June 28, 2006)** Sutra Dental Spa, a modern cosmetic dental practice, announced it has opened in La Mesa offering a dental experience that feels as relaxing as a day at the spa. Adorned with Buddhist statues and Asian art, the office offers unique amenities including a Zen oxygen bar, virtual reality movie glasses, aromatherapy pillows, an ambient recovery room equipped with a full body massage chair, wireless intraoral cameras, and will soon have a massage therapist onsite.

“Our goal at Sutra Dental Spa is to change the perception of modern dentistry by utilizing the latest in technology and creating an experience for our patients that is relaxing and comforting,” said Dr. Wu, D.D.S., founder of Sutra Dental Spa.

Aligning with Buddhist teachings, called “Sutras,” the Asian-inspired office exclusively uses biocompatible materials for non-toxic and non-invasive remedies in its four state-of-the-art treatment rooms. Services include Digital X-Rays, CEREC, Periodontics, Endodontics, Smile Makeovers, Veneers, Implants, Invisalign, and Cosmetic Imaging.

Dr. Wu adds: “Through new technology such as CEREC, we are able to offer our patients the convenience of one day visits for crowns and other treatments that typically take several weeks.”

With over 5,000 hours of continuing education, Dr. Wu has extensive background in the areas of cosmetics, orthodontics, TMJ, computerized dentistry, and CEREC ceramic fillings.

Dr. Wu achieved a Doctor of Dental Surgery (D.D.S.) degree from the University of Southern California School of Dentistry and holds a degree in biology with a minor in economics from the University of California at San Diego.
